

GR Fresh Logistics Corp

CAPABILITY STATEMENT

Minority-owned business | 347 Marshall St, Paterson, NJ | grfresh.org

CORE COMPETENCIES

Last-mile food delivery

Temperature-controlled final-leg delivery to schools, senior centers, Medicaid households and community organizations.

Government program fulfillment

DYCD, DOE and DFTA contracts run end to end: route planning, BOL processing, driver assignment and compliant documentation.

Healthcare logistics

SOMOS Medicaid program delivery and DocGo medical supply distribution.

Community organization support

Meal and essential-supply delivery for partners including Holy Apostles and Bronx House.

Fleet and route management

Real-time tracking, geographic route sequencing and professional driver management across the Tri-State area.

Warehousing and cross-dock

Short-term cold and dry storage with same-day cross-dock for overflow and surge volume.

HOW WE RUN A ROUTE

- Routes built the night before and sequenced by geography, not guesswork.
- Dock out by 5:00 AM, loads verified against the manifest before departure.
- Every delivery timestamped, geotagged and photographed.
- Failed attempts flagged, re-scheduled and reported the same day.
- Dispatch, training and driver support run in both English and Spanish.

PAST PERFORMANCE

DYCD Youth and community meal delivery across NYC sites.

DOE School meal distribution.

DFTA Senior meal delivery, hot and frozen.

SOMOS Medicaid household food box delivery.

Tangelo Produce and food-as-medicine delivery.

Holy Apostles Community meal program support.

Bronx House Community organization delivery.

DocGo Medical supply distribution.
